

Worplesdon Primary School – Weekly Update

Friday 14th July

Dear Parents / Carers,

What a wonderful week it's been! The children were just amazing on the residential, they conquered fears, had fun and embraced every moment. We couldn't be prouder!

Safeguarding-Evacuation

As you know, every child's safety is our priority every day. Whilst there are many systems and processes involved in our Safeguarding, one aspect is our fire drill, lockdown drill and whole school evacuation. Throughout the year, we have led successful termly drills for our fire procedure and lockdown procedure. We now need to practise our full evacuation procedure. We hope we would never need to use this however an example would be if there was a gas leak and we needed to evacuate the site, all staff would walk the children down to the FLGCA Community Centre on Fairlands. Once there, we would work with services to evaluate the situation and decide on next steps (e.g. whether to return after some time or whether we would need to call parents to collect). On Monday 17th July, we will be practising this evacuation which will involve all children walking down to the FLGCA Community Centre then back again. Mrs O'Brien has shared this in assembly with the children today and we have attached a social story that has been read to the children in class today and will be re-read on Monday.

Shirt Signing

Next Thursday, we would like the children to come to school with a blue polo shirt in a bag, along with a piece of cardboard to slot inside it to ensure the ink doesn't bleed through. Please could you ensure their name is written clearly inside the collar. We will then lay the shirts out so that staff and children across the school have the opportunity to sign them. Hopefully the children have another blue polo to wear during the day but if they do not, they are welcome to wear their plain white PE top instead.

On Friday, we will return the tops to the children for them to put on so they can enjoy signing each other's. To do this, please could you ensure children have a marker pen or Sharpie to use throughout the day.

Sports Day

As you know, our postponed Sports Day will be happening next Tuesday at 9:15. The children will need to wear PE kit for this.

This week, we'd like to congratulate the following children who received Golden Leaves:
