

Weekly Email Friday 22nd September

Dear Parents & Carers,

We hope that you enjoyed a restful and reflective weekend. It is wonderful to see them continuing so well with new friends and settling into those new class dynamics, supporting each other, and living by our school values.

This week, we twisted the story of The Present, and using our Show Not Tell and figurative language skills to engage and excited our audience. In maths, we continued our work on place value to ensure we feel confident with numbers up to a million.

Individual Photographs

Photos will be taking place on Monday; all children will need to come into school in full school uniform (including red jumpers).

Visiting Planetarium

In line with our space topic in science, we are very excited to have a Planetarium visiting us next Thursday 28th September. The Astronomy Roadshow will give a fascinating insight into Space News, Galileo, Isaac Newton, Earth, Phases of the Moon, Sun, Gravity, Life on the Space Station, Pole Star, Compass Bearings, Solar System, Starry Night, Greek Constellations, Milky Way, Light Pollution, Changing Day Length, Trip to Mars, Question Time, Firework Display.

Flu Vaccinations

These are scheduled to take place on Wednesday 15th November. You will have received information from our office team on parent mail.

Have a great weekend,

Mr Kennedy, Mr Djadali, Mrs Hinchcliffe, Miss Taylor
