

Worplesdon Primary School – Weekly Update

Weekly Email Friday 6th October

Dear Parents & Carers,

We have had a wonderful week of learning; it's amazing to think we're closer to the half term now than we are to the beginning!

Christmas Cards

Your children will be designing Christmas Cards which will be coming home before half term, for you to return with any orders you wish to submit by 3th November.

Year 5 Class Assemblies

The first of the Year 5 Class assemblies will be on Friday 10th November at 2:45pm, with Robins stepping up first. Jackdaws will be the following week, on the 17th November, followed by Owls on the 24th November.

Reading Diaries

Thank you to everyone who has been keeping up with our reading diary expectations (4 reads weekly signed by an adult). We know how important this is for your child's development and progression.

Homework

As we settle into the routine of the children being set Atom Prime online homework on Friday – to be submitted the following Friday – some children may find a baseline needs to be completed. This will inform the correct standard of questions that is set for each individual.

Have a great weekend,

Mr Kennedy, Miss Taylor, Mr Djadali, Mrs Hinchcliffe
