

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

What a busy week we have had in Year Two! The children have shown resilience when building their 1666 houses, many aspects of the build were fiddly and needed care and consideration. Its safe the say the addition of straw for the thatched roofs has left our classrooms looking like the inside of a rabbit's hutch! We have been focusing on number bonds to 10, 20 and 100 and linking them to known number facts. Our Great Fire of London pieces of artwork are looking amazing and we look forward to finishing them next week.

### **Next week:**

In English we transition from non-chronological reports to writing a narrative based on Jack and the Jellybean stalk. We will spend an afternoon investigating the most appropriate materials to build a boat that floats and holds marbles, we will record results and compare our findings.

### **Upcoming dates:**

Monday 6<sup>th</sup> November 2023 – Trip to SeaCity Museum Southampton linking to our Titanic topic.

### **AOB:**

- Show and Tell: If children would like to bring in something to present to the rest of the class it must be linked to something we are learning about, a real wow moment of success outside of school or a special family trip. The children need to practice what they would like to say to the class at home so they are prepared. If you would rather they didn't bring an object into school please email photos in and we will display them on the screen whilst they tell us what they got up to.
- Mrs Brooks' husband will be running the London Marathon raising money for The Royal British Legion a charity that has supported both our families in significant ways. In order to start raising money we will be holding a cake sale outside the office on Friday 13<sup>th</sup> October. If you would like to donate any cakes or biscuits to the sale, please bring them in on Thursday afternoon or Friday morning.

### **Golden Leaf Winners:**
