

Worplesdon Primary School – Weekly Update

Friday 10th November 2023

Dear Parents / Carers,

Wow! What an amazing trip we had on Monday. As expected the children were a credit to you and the school, they were engaged, respectful and curious throughout the day. We learnt so many exciting things about The Titanic, it was a fabulous way to kick start our topic. Thank you to the parents who were able to give up their day to help it was truly appreciated. We have finished our story writing on Jack and the Jellybean by creating our own versions of the story, the children have blown us away with their using of language and effective punctuation.

Next week:

During maths next week we will be adding across 10 by using our knowledge of number bonds and partitioning $EG 7+5=10+2=12$. We begin to look at features of letters during English lessons and pretending to be a first class passenger on the Titanic. On Friday we will have a day full of DT whilst creating our very own Titanic ships kitted out with an axel to add a moving anchor and a lever mechanisms to create moving parts.

Upcoming dates:

Remembrance day silence: 10th November

Anti-Bullying Week Odd Socks: Week beginning 13th November

- We have been contacted by a few parents who have some Christmas costumes at home already, so before we start organising in school we wanted to reach out and see if anyone else would be willing to lend us costumes that you already have. We are after the following:

Stethoscopes

Donkey costumes

Nativity robe and tea towel

Shepard's staffs/walking sticks

Angels

...we need more than one of most of these.

- We would love to add some small world resources to our outdoor area during playtimes for the children. If you have any that you are willing to donate please hand to either Mrs Brooks or Mr Bowers. *EG toy figures, cars, small construction*

-A reminder that your child needs a box (Cereal/shoebox size) a smaller box, two/three toilet roll tubes for their Titanic boats. We will be making these on Friday 17th November.
