

## Worplesdon Primary School – Weekly Update

Friday 10th November 2023

Dear Parents / Carers,

What a fantastic week in Year 3! The children have been super busy with their learning and have impressed us with their attitudes towards their learning. As we are now into November, the children have been exploring the value of the month: 'understanding' in assemblies.

In English this week, the children have been tweaking the story 'The Rainbow Fish' by coming up with a new character and adding in their own well-chosen adverbs. Next week, the children will be writing their own version of the story, using adjectives and expanded noun phrases.

In Maths, we have continued looking at addition and subtraction to 1000. We have introduced column addition with exchanging this week, and next week, we will be moving on to column subtraction with exchanging.

### **Remembrance Day**

On Friday, the children took part in a minute silence for Remembrance Day. It was lovely to see the respect shown by the children whilst they took a moment to think about our armed forces past and present.

### **Logins**

It would be really helpful if the children could practice logging in to Purple Mash using the logins in the front of their reading diaries. Thank you for your support with this.

### **Anti-bullying week**

In Learning for Life this coming week, we will be talking about bullying and what this means. The children will explore a story about bullying and come up with ideas for how to help if someone was being bullied.

In assemblies, we will be celebrating anti-bullying week. In order to show our support for anti-bullying week, we will be encouraging the children to come to school wearing odd socks.

### **Golden leaves**
