

Worplesdon Primary School – Weekly Update

Friday 24th November 2023

Dear Parents / Carers,

Year 6 have had yet another brilliant week of learning. See our updates below!

Curriculum

This week we have moved into the world of Fractions in maths, whilst it has been a tricky challenge, the children have shown resilience and determination to succeed! In English, we have been writing letters and consolidating our understanding of uses fronted adverbials and relative clauses accurately. This week in RE, we drew our lessons on Judaism to a close by learning about the celebration of Yom Kippur. As scientists, we planned and investigated how components affect an electrical circuit and we learnt about the human and physical characteristics of Greece in Geography.

Christmas Fair

On Sunday 3rd December (11.30-2:30) the PTA will be putting on the Christmas Fair. They are so excited to welcome you all there. There will be lots to see and do including: a raffle with fantastic prizes, a selection of food including fish and chips and pizza, games and prizes to be won. Please do pop along and enjoy the fun if you can!

Fun Run

On Monday 4th December all the children will be taking part in a Reindeer Fun Run to support the brilliant Phyllis Tuckwell charity. The children will be provided with a set of antlers for them to wear on the day and take home. Sponsorship forms have come home and any amount you can donate would be appreciated.

Gingerbread Houses

Week commencing 4th December, Year 6 will be completing their project to create a gingerbread house. As you can imagine, the children are extremely excited about this! Please do consent via the ParentMail sent out by next Friday 1st December.
