

# Worplesdon Primary School – Weekly Update

Friday 8th December

Dear Parents/Carers,

Despite the cold weather, the children have continued to work incredibly hard in our penultimate week before Christmas! We have continued our wonderful writing based upon the Christmas Spiders with some incredibly creative independent writing. In maths, we have continued to look at mixed numbers and improper fractions and the children have shown such resilience!

## **School Uniform**

With it being so cold, children must come to school each day with a warm coat as they spend at least 45 minutes outside each day. They are also more than welcome to walk to school in boots or wellies as long as they bring their school shoes in their bag with them to change into.

## **Carols by Candlelight**

The children have continued practising their carols for the Carols By Candlelight event on Wednesday 13<sup>th</sup> and Thursday 14<sup>th</sup> December. On the Wednesday, the children are invited to stay behind after school – please ensure they have a suitable, healthy snack to keep them going - and then the singing starts at 4pm-5pm.

## **Final Day of Term - Friday 15th December**

We will be having a day filled with Christmas fun, quizzes and party games! We would like to invite your child to bring in a board/card game (non-electronic) to school to enjoy in some downtime, as well as a Christmas jumper (over the top of school uniform) and accompanying Christmas accessories.

Thanks for all of your support,

The Year 5 Team

Mr Kennedy, Miss Taylor, Mr Djadali, and Miss Piercy
