

# Worplesdon Primary School – Weekly Update

Friday 5th January

Dear Parents/Carers,

Welcome back - we hope you have had a wonderful break with your friends and family! The children's behaviour has been reassuringly positive so far and they have really hit the ground running.

In maths, we've been continuing our learning of fractions, and adding fractions, even when they have different denominators or equal more than 1.

In English, we've introduced the beautiful book by Jackie Morris: The Snow Leopard. We'll be focussing on effective description and sentence structure.

Hampton Court Palace Trip

Just a reminder regarding the Parentmail that was sent out previously about our upcoming trip on 25<sup>th</sup> January . Thank you to all the families who have already consented and paid - very speedy! We are still waiting for quite a few more payments to come in and it would be a shame for us to lose out on the trip.

As always, we're here for anything you need, even if as they get older you may go weeks without actually seeing us, so always feel free to drop us an email and or call in at the end of the day to see us.

All the best,

The Year 5 Team

Mr Kennedy, Miss Taylor, Mr Djadali and Miss Piercy
