

# Worplesdon Primary School – Weekly Update

Friday 26<sup>th</sup> January

Dear Parents/Carers,

This week we have invented our own ending to the Snow Leopard, concentrating on the atmosphere and using a range of sentence structures.

In maths we have nearly wrapped up our unit on fractions, and we'll be starting on multiplication and division next week; please remember to help the children by practising their times tables – using Times Tables Rock Stars is a great game to develop their recall.

## Hampton Court

Yesterday Year 5 travelled up to Hampton Court Palace for an immersive day learning about Henry VIII. We learnt so much, from where Jane Seymour's heart is buried, to learning about how to use primary and secondary sources of information to make educated guesses about the past. We are so especially grateful for the parent helpers, without whom this trip would not have been possible.

## RSE Consultation

On Wednesday, the school will be holding our RSE parents' session, informing of our curriculum and what we will be teaching. There will be a creche available for those who will need childcare during the session.

## Swimming

We are still in *desperate* need of parent helpers for our weekly swimming lessons after half term on Wednesday mornings. If you are able to assist us, **please** contact us as soon as possible so we can send you the paperwork to complete your DBS.

Wishing you a wonderful weekend.

All the best,

The Year 5 Team

Mr Kennedy, Miss Taylor, Mr Djadali, and Miss Piercy
