Demonstrating our values

We are so proud of the children in Year 4. They have been so kind and compassionate this week. We want to send our love to Willow and her family; and we have been so impressed with how our community has pulled together to support one another: Thank you!

Remember if you wish to nominate your child for showing our values beyond school, Mrs O'Brien's giving back scheme can show children be awarded for demonstrating values at home, in the local community, beyond the local community and sustained over a period of time, in a range of ways. Please see her email from earlier in the term for details.

Ancient Egyptian Workshop: Friday 9th February

We have our Egyptian workshop next week! We have sent a separate letter with details of our option to dress up. As part of our Spring Term Fees, we have asked for contributions towards this, so if you haven't yet had the chance, please see Parent Mail for your link to support this opportunity.

However, if you are unable to contribute towards this school trip due to financial constraints, please do not hesitate to discuss with Mrs O'Brien. We will not need be sending a separate permission form as this is happening within the school day.
