

Worplesdon Primary School – Weekly Update

Friday 1st March 2024

Dear Parents / Carers,

What another fantastic week we have had in Year 3! The children have been super busy preparing for their class assemblies, in amongst lots of learning! We hope Starlings parents enjoyed Starlings class assembly, and agree that the children did a wonderful job!

In English this week, the children have been tweaking the story, 'Stone Age Boy', with a focus on simple and compound and multi clausal sentences. Their stories have been about Future Boy/Girl. We have been impressed with their imaginative ideas. Next week, the children will be inventing their own stories based on 'Stone Age Boy', with a focus on simple, compound and multi clausal sentences.

In Maths, we have continued to look at length and perimeter. The children have been comparing, adding and subtracting lengths. We have also been converting lengths to the same unit of measure. Next week, the children will be learning about perimeter.

Let Girls Play

On Friday 8 March, there is a 'Let girls play' initiative! It is a country wide initiative to get girls engaging with football. Our school is taking part as it presents an excellent opportunity to inspire more girls to play football, and to learn about all the health and social benefits that will bring. Please can all girls come to school in PE kit on this date.

Donations

As you can imagine, we get through a huge amount of stationery throughout the year. Our main need at the moment are glue sticks. If anyone is willing and able, we would very much appreciate any donations of glue sticks.

World Book Day

On Thursday 7th March, we will be celebrating World Book Day. The children are welcome to come to school dressed as their favourite book character. We will be completing an English task around the children's favourite books, and the children will be moving around the year 3 classes in the afternoon having a go at three different book related activities.
