

Worplesdon Primary School – Weekly Update

Friday 8th March 2024

Dear Parents / Carers,

What another fantastic week we have had in Year 3! We hope Sparrows parents enjoyed Sparrows class assembly, and agree that the children did a wonderful job!

In English this week, the children have been inventing their own stories based on 'Stone Age Boy', with a focus on simple, compound and multi clausal sentences. We have seen underwater boys, rain girls and many more, what great creativity! Next week, we will be learning the story The Owl who was afraid of the dark. Our focus will be on possessive apostrophes.

In Maths, we have continued to look at length and perimeter. The children have shown a fantastic understanding of perimeter and have enjoyed working out the perimeter of different 2D shapes. Next week, we will be moving on to learning about fractions.

****Cooking****

As part of DT next week, we will be baking fruit treats. These will be puff pastry with fruit inside, baked in the oven. Please email your class teacher if you are happy for your child to participate.
