

## Worplesdon Primary School – Weekly Update

Friday 8<sup>th</sup> March 2023

Dear Parents / Carers,

We're at the half way mark of this half term already and we can't believe how fast the time is going! We have been so impressed by the children this week as always, but particularly in English where they have produced the most amazing explanation texts on the Circulatory System, which we have been learning about in Science.

### **Learning for Life-Exploitation**

Next week, as part of our learning for life curriculum we will be covering the topic of exploitation. Within this lesson, we will explore why some people can be exploited and made to do things that are against the law, as well as signs of child exploitation and a brief discussion regarding the dangers of county lines. If you have any questions regarding this lesson, please contact your child's class teacher.

### **Anne Frank**

As stated in a previous weekly update, we will be watching some episodes from the BBC adaptation of 'The Diary of Anne Frank' as a stimulus for our writing in English. Prior to the children watching these episodes, class teachers have watched them and have noted any parts we feel are not age appropriate, which we will skip through.

For your information, we will be watching:

**Episode 1** (skipping minutes 23:47-25:20)

**Episode 2** (skipping minutes 7:36-9:00 & 10:42-13:05)

### **Earrings**

In line with our school policy, please can we kindly ask that girls refrain from wearing dangly or hoop earrings. As well as going against our policy, it also poses a risk particularly at break times and lunchtimes. Thank you in advance for your co-operation with this.

### **Comic Relief**

On Friday 15th March, children are invited to come to school wearing pyjamas or something red and can donate to comic relief. We look forward to celebrating.

### **Anderson Shelters – DT**

In DT next week, we will begin making our model Anderson shelters, if the children would like to bring in any additional resources for this based on their design, they are more than welcome!

This week, we'd like to congratulate the following children who received Golden Leaves:

### **Wrens**

Henry-For showing values such as kindness, understanding and patience when working with other children.

Stanley-For a brilliant and detailed explanation text on the Circulatory System.

### **Jays**

## Worplesdon Primary School – Weekly Update

Eva-Lily -For demonstrating positivity with her learning of decimals in maths this week maths

Hollie-For always having a smile on her face and trying hard in all lessons.

### **Kestrels**

Leon-For showing great positivity in all of your lessons this week, working hard and contributing your brilliant ideas.

Vaibhavi-For always showing willingness to contribute to class discussions and ensuring your work is of the highest standard.

George-For showing great understanding and knowledge in Science this week, learning about the heart.

Finally, if you ever have any questions or concerns, please don't hesitate to catch us on the playground at the end of the day. However, we know that lots of Year 6 children walk out to meet an adult, so alternatively you can email us (no matter how small a question or problem may be!) on the addresses below:
