

Worplesdon Primary School – Weekly Update

Friday 15th March 2024

Dear Parents / Carers,

What another fantastic week we have had in Year 3! We hope Magpies parents enjoyed Magpies class assembly, and agree that the children did a wonderful job!

In English this week, the children have been learning the story The Owl who was afraid of the dark. Our focus has been on possessive apostrophes. Next week, the children will invent their own story based on The Owl who was afraid of the dark, with a continued focus on possessive apostrophes.

In Maths, we have started learning about fractions. The children have done really well with this so far. Next week, we will continue our work on fractions.

Easter Egg Competition

The Easter holiday is fast approaching and it would not be the same without our annual Easter Egg design competition! This year, this will be held on Thursday 28th March. Please can we ask children to bring their amazing creation to the hall where there will be tables set up, please ask your child to place theirs on their year group table ensuring it is clearly marked with their name and class. This is a great opportunity to be creative but using the humble egg at the heart of their design.

Our School Council will be judging the competition and winners will be announced. We are so excited to see what comes in, see below for some inspiration for you.
