

Worplesdon Primary School – Weekly Update

Friday 28th March 2024

Dear Parents / Carers,

Our Learning

- In our red tables this week, we have written about minibeasts, partitioned numbers to 50, talking about how our beans have grown and completed matching activities.
- In the choosing area, the children have enjoyed playing with the octonauts, magnetic letters, dolls house and toy egg and chicks.

Haven Gathering

Thank you so much for coming in this afternoon, it was so lovely to chat to you all! We hope you enjoyed it 😊

Many thanks,
Emily and the Penguins Team
