

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 10th May

We hope you all had a great bank holiday weekend.

In social context we have been looking at how to mend friendships and disagreements through the use of role play which they have particularly enjoyed.

In Food Tech, we made tortillas. The children showed great team work and are becoming increasingly independent in our sessions and trying new things (who knew carrots could be so delicious).

In maths this week, some of us have been focusing on fractions and others on decimals. Mrs O'Brien popped in and was very impressed with all of the children's engagement and knowledge. We were all very proud of them.

Now the warmer weather has finally arrived, please ensure that your children bring a sun hat, sun cream and a water bottle to school.

Just a reminder that on Friday 24th May the school are holding our first ever '**Colour Run**' to begin our fundraising for our MUGA. You can set up your child's very own sponsorship page in just a couple of minutes to share with friends and family via our Goodhub page <https://app.goodhub.com/colourrun24>

Congratulations to these children for receiving a golden leaf this week:

Joseph – For showing empathy and understanding of others.

James – For checking his schedule and coming into school with a smile on his face.

Thank you for your continued support.

Wishing you all a wonderful weekend.

Best wishes,

The Falcons Team
