

Worpleston Primary School – Weekly Update

Dear Parents / Carers,

Friday 17th May

We hope you have had a lovely week and are enjoying the sunshine. We hope it continues.

In Food Tech this week we made pizzas. The children were involved throughout the whole process and chose what they wanted as toppings. They enjoyed eating them after.

In Geography we started looking at four figure grid references. The children's map skills are coming along and they are becoming increasingly independent.

In school responsibilities this week one of the jobs was to help out in Penguins class. We were so impressed with how the children showed us what amazing role models they were. They thoroughly enjoyed it.

In our garden area we have started some planting which is really exciting. We will share some pictures soon.

Some of our Year 6's took part in the SATs this week. We were very proud at how they demonstrated our school values. All of the Year 6's were treated with an ice-cream from Mrs O'Brien to thank them for all their hard work throughout the year.

Just a reminder that on Friday 24th May the school are holding our first ever '**Colour Run**' to begin our fundraising for our MUGA. You can set up your child's very own sponsorship page in just a couple of minutes to share with friends and family via our Goodhub page <https://app.goodhub.com/colourrun24>

Congratulations to these children for receiving a golden leaf this week:

Jack- For showing resilience during the week of SATs. We are proud of you

Ruby -For great participation in food tech this week and trying a new food. Well done!

Thank you for your continued support.

Wishing you all a wonderful weekend.

Best wishes,

The Falcons Team
