

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 24th May

Wow we cannot believe we are at half term already. Summer 1 has gone so fast.

In Food Tech this week we made pizza crumpets. The children loved them and were very careful to ensure theirs turned out exactly how they wanted it.

Some of our Year 5's and Year 3's finished their swimming lessons for this term. We were super proud of how they represented our school at the Spectrum and they all made great progress.

In practical life skills, we acted out what happens when we go on a train. The children got their tickets, checked the time of their train and platform and had a ride on our Falcons train. The children were so enthusiastic about the activity it was lovely to see.

Colour Run

It was so amazing to finish the week off with the colour run. The children had an amazing time running through paint and looked brilliant. We took some before and after photos which we hope to share with you soon. The children coped amazingly and we had smiles all around.

Congratulations to these children for receiving a golden leaf this week:

Teddy – For being a kind and tolerant friend and being a role model to your friends,

Jacob H – For working hard in your lessons and following adult instructions.

Thank you for your continued support.

Wishing you all a wonderful half term; we hope you get to enjoy the sunshine.

Best wishes,

The Falcons Team
