

## Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 21<sup>st</sup> June

What a lovely week it has been. We have thoroughly enjoyed the sunshine in Falcons and have been able to use our outdoor area more and more. The children are enjoying keeping our plants watered and watching them grow. Please keep sending the children in with their water bottles and hats especially as we are now using the field more often for playtimes.

### **English**

In English this week we wrote a letter to the dragon asking lots of questions about his new home linked to the 'Dragon Post'. The children were very enthusiastic and we were proud of their letters.

### **Reports**

The end of year is fast approaching and this week as a class we had a discussion on all the things we have enjoyed and achieved this year. We created a big mind map on flipchart paper. The children will then use this to write their reflections of this year for the back of their report which will go home to you on Friday 5<sup>th</sup> July.

### **Food Tech**

This week in Food Tech, the children did some research on a desert they would like to make. They had to find the recipe and write down all the ingredients and equipment they will need. The children will be making their deserts next week. If you have any spare pots or tubs that you would be happy to donate we would really appreciate it.

### **PE Kits**

Next Thursday (27<sup>th</sup> June) we will be practicing Sports Day. The children will get a chance to see what it will look like and practice some of the activities. Please can we ask that children come into school in their PE kit on this day. In addition, Sports Day is the following Thursday (4<sup>th</sup> July) and they will need to be in their PE kit for this also.

### **Upcoming dates**

Tuesday 2<sup>nd</sup> July – Transition Day (children will meet their new inclusion teacher)

Thursday 4<sup>th</sup> July – Sports Day

Friday 5<sup>th</sup> July – Summer Fair on the school field

Congratulations to these children for receiving a golden leaf this week:

Teddy – For excellent effort and enthusiasm in maths this week – you were amazing!

Ruby – For transitioning back into school after having time off so well – we are very proud of you.

Thank you for your continued support.

We hope you have a lovely weekend.

Best wishes,

The Falcons Team
