INFANTS SPORTS DAYS WINNERS

** Reception – Fire **
** Year 1 & 2 – Earth **

Special Educational Needs & Disabilities

WPS – SEND TEAM

From September the SEND team will be growing. We are delighted to welcome Mrs Picknell to the pastoral team. Mrs Picknell will be taking on the role of SEND administrator. To further support communications a central email address has been set up which both Mrs Earl-Smith and Mrs Picknell have access to. The new email address is:

sendco@wwfs.surrey.sch.uk. This email address is active now and we encourage you to contact the SEND team via this email address moving forwards. Thank you.

LOST PROPERTY

We have 2 lost property boxes, which are emptied weekly, all named items being returned to their rightful owners. This week there were nearly 90 un-named items and the boxes were over flowing! Please can we remind you to clearly name all items, thank you.

EARLY BIRDS & NIGHT OWLS

This week at Night Owls we have been cheering on England at the Euros! The children have had lots of activities focused on football including word searches, crossword puzzles and designing an England flag. We even watched the first half of the game yesterday, in the hall, on the big screen. The children loved this and were cheering and jumping around when England scored their goal.

Our craft activity has been to count down the days until the summer holidays. The children designed a rainbow cloud using paper chains. Each day they take a link off of the paper chain and the last one will be the last day of school. We also had a painting table this week and a jewellery designing table.

Blake has been busy making an amazing house out of Lego. He was so proud of it that I said I would add a picture of this to the newsflash and as you can see he did a brilliant job.

Next week is due to be really hot so please can we remind parents to send children in with a hat and a water bottle.

A MESSAGE FROM KINGS COLLEGE RE: SCIENCE SHOW ON 4TH JULY 2024 @ 4PM

Dear Families,

You have been invited to the Royal Institute (RI) Community Science show ‘Super Cells’ at Kings College at 4pm on Thursday 4th July.

What makes you sick? Why do you, I, and every other human on the planet get ill? Join our RI presenters as they dive deep into your very own cells to see how bacteria and viruses invade our bodies and try to take over, and more importantly: what can we do to fight back? From ancient remedies to modern medicines, we’ll see how science supports and improves our bodies’ natural defenses, from antibiotics to vaccines, to a future where we could train our bodies to potentially cure themselves of some diseases!

The show gives families a chance to see the RI's specially trained presenters in action, delivering science shows inspired by medicine. The show will be jam-packed with experiments, demonstrations and the odd explosion!

Tickets will be allocated on a first come, first served basis. To reserve a seat, please follow the link: <https://www.trybooking.com/uk/63602>

Dads & Autism

Presented by: Justin Price, Executive Headteacher, Freemantles School

As a part of our Equality, Diversity and Inclusion drive we have designed this course specifically for Dads and Male-presenting relatives that want to learn, as we want to be inclusive and we have identified that:

- Dads often miss out on other training being offered as Mums are so keen to go.
- Dads often open up less if attending with their partners
- Previous feedback on specific Dads training has been hugely positive
- The Understanding Autism course will cover the same content and will be open to all.

Autumn 2024:

6-8pm Thursday 19 th September 2024	Autism awareness and strategies in the home
6-8pm Thursday 26 th September 2024	Building relationships and communication with your child
6-8pm Thursday 3 rd October 2024	Promoting positive emotional wellbeing and understanding your child's behaviour

Spring 2025:

6-8pm Thursday 13 th March 2025	Autism awareness and strategies in the home
6-8pm Thursday 20 th March 2025	Building relationships and communication with your child
6-8pm Thursday 27 th March 2025	Promoting positive emotional wellbeing and understanding your child's behaviour

Sessions are at Freemantles School, Smarts Heath Road, Mayford, Surrey, GU22 0AN

The cost is £10. To book, visit <https://www.trybooking.co.uk/BNLZ>
