

Dear Parents / Carers,

Friday 28<sup>th</sup> June

We've had a busy week in the lovely sunshine.

### **Year 6 Production**

This week our amazing Year 6's took part in the Year 6 production – we were so proud of them. They represented Falcons brilliantly in their roles and Falcons enjoyed watching them in their dress rehearsal.

### **Food Tech**

In Food Tech this week the children used the recipes they found from last lesson to make deserts of their choice. We were impressed with their independence and the deserts smelt delicious. We hope you enjoyed trying them at home.

### **Transition Day**

On Monday afternoon, we will tell the children who attend inclusion what their new inclusion classes is and who their teacher is. We will also walk the children to their new class and introduce them to their new teacher, if possible. You will receive a letter on Monday with this information too. On Tuesday, it is move up day so the children who attend inclusion will spend some of the day in Falcons and some of the day in their new inclusion class.

### **Sports Day**

On Thursday it is Sports Day. Year 3/4 are in the morning and Year 5/6 in the afternoon. The children were excellent in their practice – we were so proud of them. Please ensure on this day the children are wearing their PE kit and have a water bottle, hat and sun cream on.

### **Haven Gathering**

On Tuesday 23<sup>rd</sup> July at 12:00 – 13:15 it will be our final Haven gathering of the year. We are looking forward to seeing as many of you as possible and celebrating all their achievements this year.

Congratulations to these children for receiving a golden leaf this week:

Jack – For expert lighting skills in the production – you were wonderful.

Ella – For great enthusiasm, singing and dancing in the production – you were brilliant.

Joseph – For opening the show brilliantly and being an excellent announcer – you were amazing.

Thank you for your continued support.

We hope you have a lovely weekend.

Best wishes,

The Falcons Team
