

Worplesdon Primary School – Weekly Update

Dear Parents / Carers,

Friday 12th July

Another week has flown by here at school. Only one more full week left to go and we are hoping we are hoping we have sunshine for those last few days.

English

In English this week, we wrote poems about things they like. The children worked hard at finding rhyming words. We had some poems about pizza, chocolate, Peppa Pig and ice cream. It was lovely to see them being so creative and using lots of description.

Food Tech

In Food Tech this week, the children planned what they would like to have for their picnic next week. As a team, they thought about what drinks, main lunch and pudding they would like. The children were so enthusiastic about this.

DT

In DT this week, the children worked really hard at creating their own flood proof houses using different materials. They are looking forward to making them wet and seeing how the houses cope!

Social Context

The children were given a variety of games to play with their classmates. As a class, we focused on turn taking and following the rules of games. We discussed how it is okay to lose at some games.

Haven Gathering

Just a reminder, on Tuesday 23rd July at 12:00 – 13:15 it will be our final Haven gathering of the year. We are looking forward to seeing as many of you as possible and celebrating all their achievements this year.

PLANNING APPLICATION FOR OUR MULTI USE GAMES AREA (MUGA)

After an extensive consultation period, I am delighted to inform you that our planning application for the installation of an artificial surface on our school field is now live. I cannot stress enough the importance for **every** family to give their feedback onto the planning portal. Our dream of a MUGA will not happen unless we can prove that we have overwhelming support from our school community and beyond. Please click on the link below:

<https://www.guildford.gov.uk/commentonaplanningapplication>

You will need to register an account before you are able to make a comment on the application. Once you have an account (which will take a couple of minutes), you will need to search for our application by using the school name or application number **24/P/01007**. Once you have found the application, you simply make a comment. I promise that it will only take a few minutes and by doing so, you will be sharing your views directly with the Guildford Borough Council. By taking action now, we may have a chance to install our MUGA by Christmas!

Planning officers will review comments **by the end of July** so it is vital that you act quickly! Thank you for your continued support.

Congratulations on these children for receiving a golden leaf this week:

For brilliant effort at Sports Day showing great resilience and enthusiasm.

Jacob H - For excellent listening and hard work on transition day in his new inclusion class

Worplesdon Primary School – Weekly Update

James - For brilliant rhyming in English for his poem

Teddy - For being brave and resilient when he has hurt himself this week

Thank you for your continued support.

We hope you have a lovely weekend.

Best wishes,

The Falcons Team
