

**Curiosity (Engagement)**

We will be encouraged to ask questions based around the history of our local area, linking how and why things have changed.

**Teamwork / Independence**

We will have opportunities to work in teams to research the UK's features and our local area. We will also have opportunities to work independently to create pieces of writing.

**Visual Representation**

**Resilience**

We will continue to focus on becoming resilient learners. For example, we will be using a variety of computer software to investigate the UK.

**Empathy**

We will have opportunities to empathise with others that have lived in our local area and the UK both in the past and currently. We will also be supporting each other as newly formed classes.

**As mathematicians...**

we will be building on our knowledge of place value to learn about numbers up to 1000. We will also be reasoning and solving problems using our addition and subtraction skills.

**As writers...**

we will be deepening our understanding of conjunctions and prepositional phrases using the texts 'The Day the Crayons Quit' and 'Captain Flynn and the Pirate Dinosaurs'.

**As citizens...**

we will be learning about settling into our new setting and feeling a sense of belonging.

**As scientists...**

we will be learning about skeletons (both human and animal) as well the movement of the body.

**As computing experts...**

we will be reminding ourselves how to stay safe online. We will use Purple Mash to develop our coding skills.

**As geographers...**

we will be using atlases for find out about mountain ranges within the UK and around the world. We will also be researching how mountains are formed and about life on the mountains.

**As religious experts...**

we will be learning about the importance of the Bible to Christians and how they believe it is one big story about God and his relationship with people.

**As artists...**

we will be thinking about using our painting skills to create landscapes inspired by Turner and Hockney.

**As athletes...**

we will be learning and practising the key skills needed for participating in the game.  
we will also be doing gymnastics and using different pathways, directions and shapes to create sequences.

**As musicians...**

we will be composing phrases and improvising rhythms and sung phrases.

Year Group: 3

Term: Autumn 1

Long Term Plan Theme: Marvellous Mountains

As linguists...

we will gain the confidence to speak and read at word level in a foreign language, compare and contrast the French and English language, find good strategies for remembering new vocabulary and learn the basic geography of France.
