

I will explore...

- My own culture
- My attitudes towards others
- Strategies to manage bullying situations
- Ways to encourage others to make positive choices
- The value of happiness

Vocabulary

Homophobic	When someone is unkind to another because of another person's preferences
Ethnicity	Someone's background and where they're from e.g. British or African
Discrimination	When someone excludes another because they are different to them
Cyber bullying	Bullying on the internet or online
Indirect	Bullying by doing or saying things without the victim knowing about it
Continuum	When something continues to happen again and again
Racism	When someone is unkind because of someone else's race or skin colour
Culture	Things that a group of people do as part of what they believe in
Race	Categorising people based on shared physical qualities
Direct	Hitting someone or calling someone names to their face

I will learn about...

- Cultural differences
- What racism is
- Different types of bullying behaviours
- The lives of people in other countries
- My own and other people's cultures

Why do we like to belong?

How can I show respect for my own and others' cultures?

Celebrating Difference
