#### NICE TO KNOW

#### EARLY BIRDS & NIGHT OWLS

This week at Night Owls we have been learning about St Georges Day. The children have had great fun with the activities provided. They had the opportunity to make a dragon face. They used bubble wrap for painting and then added on all of it's features. They also had the chance to make castles on our junk modelling table where the King and princess could live.

We had a magical dragon fly around the school laying dragon eggs for the children to find. Inside the eggs were letters, which the children had to put together, to make out 3 words linked to St Georges Day. The older children worked really well with the younger ones helping them to find the eggs and work out the words, it was great to see such amazing team work! The children earned 5 house points for each egg they found and extra house points for solving the puzzles.

Finally, on Thursday the children had the chance to celebrate St Georges Day by having a tea party. They were given jam, cucumber and cheese sandwiches alongside scones, jam and cream. They finished off with making their own fruit kebabs. Great fun was had by all and the food was thoroughly enjoyed.

Our Stars of the Week this week are:

- Early Birds: Molly S for always coming in with a smile in the morning and listening to the adults
- Night Owls: Bea BC, Jess M and Piper for offering to help set up Night Owls while are year 6 children focus on their SATS

Next week is National Pet Week so we will be focusing our activities around this.

Club **Hola Español** is delighted to invite your child to join our fun Spanish club. Every week we practice greetings and general conversation skills, and we introduce one or two new topics each term, such as food, family, pets, travel our homes and holidays. Complete beginners or children with some knowledge of Spanish can all easily be integrated into the club and all ages and levels will benefit from our interactive and dynamic approach.

Our club leaders are trained linguists with many years of teaching experience, and children will easily acquire vocabulary and a great accent by taking part in our enjoyable activities.
