Parents Evenings

We would like to remind you that Parents Evening for your child(ren) is next week. If you have not yet booked your appointment via ParentMail, please do this as soon as possible as appointments are now limited. If you are having problems doing this, please see a member of the Office team.

Harvest Celebration

On the morning of Thursday 19th October we will be having a Harvest Celebration assembly for the children. They will be asked to participate in donating an item of food; these should be non-perishable, for example tins, dried foods such as pasta, rice and pulses. These will then be distributed to a local food bank.

Harvest Creatures

On the Tuesday, 31st October after we return from the half term break, children are invited to create a creature made from fruit and/or vegetables. This can be brought into the school hall on the Tuesday morning to be displayed. Later on in the day, the school council will judge the creatures and prizes will be given to the winning creations. Creatures should be made by the children, with a little help from parents if needed.
